Report on the Financial Statements

We have audited the accompanying financial statements of North Penn Legal Services, Inc. (NPLS), which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of NPLS as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information on pages 17 through 20 is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 12, 2017, on our consideration of NPLS's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2017 AND 2016

1. Organization

Reporting Entity

North Penn Legal Services, Inc. (NPLS) is a nonprofit organization that provides civil legal representation for the poor and disadvantaged in Bradford, Carbon, Clinton, Columbia, Lackawanna, Lehigh, Luzerne, Lycoming, Monroe, Montour, Northampton, Northumberland, Pike, Snyder, Sullivan, Susquehanna, Tioga, Union, Wayne, and Wyoming counties. NPLS's central office is located in Pittston, Pennsylvania. NPLS is part of a statewide network of legal service providers servicing all of Pennsylvania's 67 counties. With its reliance on discretionary government funding, the philanthropic community, and the volunteer services of attorneys and others, it represents its targeted clientele in matters such as protection from abuse, follow-up of governmental benefits including Social Security and food stamps, housing assistance, issues related to the youth and the aged, and other emerging civil matters.

NPLS is funded on a year-to-year basis through a contract with Pennsylvania Legal Aid Network (PLAN), formerly Pennsylvania Legal Services. Funding for the contract is provided by the Commonwealth of Pennsylvania with Commonwealth and Federal Title XX funds, Pennsylvania Interest on Lawyers' Trust Account Program (IOLTA) funds, Access to Justice Act funds, and PA Department of Human Services (DHS) funds. Additional funding is obtained from Legal Services Corporation (LSC), a nonprofit corporation organized by the U.S. Congress to administer a nationwide legal assistance program.

2. Summary of Significant Accounting Policies

Basis of Accounting

NPLS reports on the accrual basis of accounting and, accordingly, has reflected all significant receivables, payables, and other liabilities as prescribed by accounting principles generally accepted in the United States of America (GAAP). The financial statements and notes also incorporate applicable provisions of the LSC's "*Accounting Guide for LSC Recipients*," consistent with accounting principles generally accepted in the United States of America.

NORTH PENN LEGAL SERVICES, INC.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2017 AND 2016

Basis of Presentation

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of NPLS and changes therein are classified and reported as follows:

Unrestricted – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted – Net assets subject to donor-imposed stipulations that may or will be met either by actions of NPLS and/or the passage of time.

Permanently restricted – Net assets subject to donor-imposed stipulations that they be maintained permanently by NPLS.

Cash and Cash Equivalents

All liquid investments with a maturity of three months or less when purchased are considered cash equivalents for the purpose of cash flows.

Accounts Receivable

Contracts and grants receivable, which include PLAN receivables, are for expenses incurred prior to the fiscal year-end that have not yet been received from the funding agency. No allowance for uncollectible accounts receivable is deemed necessary.

Promises to Give

Unconditional promises to give are recognized as revenue and assets in the period received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their net realizable value.

NORTH PENN LEGAL SERVICES, INC.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2017 AND 2016

Property and Equipment

Property and equipment, consisting of leasehold improvements, office furniture, and equipment, and law library items (consisting of library books and multiple volume sets), have been recorded at cost. Expenditures and betterments that extend the lives of the applicable assets are capitalized, while maintenance and repairs are expensed when incurred. Property and equipment is capitalized with an initial, individual cost or in the aggregate of more than \$5,000. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets, which range from three to ten years for office furniture and equipment, and seven to fifteen years for leasehold improvements.

Impairment

NPLS reviews its long-lived assets for impairment on an exception basis whenever events or changes in circumstances indicate that the carrying amount of the assets may not be recoverable through future cash flows. If it is determined that an impairment loss has occurred, based on the expected cash flows, a loss is recognized in the statements of activities.

Accrued Compensated Absences

Employees are permitted to carry over a pre-determined maximum number of unused vacation days from one fiscal year to the next. Employees receive payment for their unused vacation, up to that maximum, at termination. NPLS has established a liability for unused vacation based on the aggregate maximum payable per employee.

Contributions

NPLS is required to record contributions received as unrestricted, temporarily restricted, or permanently restricted support. This requirement is dependent on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

NORTH PENN LEGAL SERVICES, INC.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2017 AND 2016

In-Kind Contributions

In-kind contributions are recorded at fair market value at the time of receipt. These contributions are recognized as both support and expenses in the statement of activities. Only those contributed services that create or enhance nonfinancial assets, require skills, and are provided by such individuals possessing those skills and would typically need to be purchased, if not provided by donation, are so recognized in the financial statements. In-kind contributed services totaled \$127,275 and \$226,470 for the years ended June 30, 2017 and 2016, respectively, and consisted of pro bono legal services. The average rate used to determine the value of pro bono legal services provided by attorneys was \$150 per hour. Approximately 849 and 1,510 hours of pro bono legal services were provided by attorneys during the years ended June 30, 2017 and 2016, respectively. During the year ended June 30, 2016, NPLS also received a donated services contract from PLAN valued at \$68,300, which consisted of the cost of acquisition and implementation fees and data migration services for a new case management system.

Expense Allocation

The costs of providing the various programs and activities have been summarized on a functional basis on the statements of activities. Accordingly, certain costs have been allocated among programs and support services.

NPLS allocates expenses among PLAN, LSC, and other funding sources. The expense allocation among funding sources is made based on annualized budgetary revenue relationships, specific identification, and time expended on cases.

Income Taxes

NPLS is a not-for-profit corporation and is exempt from federal income taxes pursuant to section 501(c)(3) of the Internal Revenue Service Code, as well as from Pennsylvania State corporate taxes. NPLS is not considered a private foundation for federal income tax purposes. NPLS annually files a Form 990.

Management's Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported

NORTH PENN LEGAL SERVICES, INC.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2017 AND 2016

amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Pending Standards Update

Accounting Standards Update (ASU) 2014-09, "*Revenue from Contracts with Customers*," is effective for NPLS's financial statements for the year ending June 30, 2020 (as amended by ASU 2015-14). This amendment provides guidance for revenue recognition related to contracts with the transfer of promised goods or services to customers and related disclosures.

ASU 2016-02, "*Leases (Topic 842)*," is effective for NPLS's financial statements for the year ending June 30, 2021. This amendment will require lessees to recognize assets and liabilities on the statement of financial position for the rights and obligations created by all leases with terms of more than twelve months. Disclosures also will be required by lessees to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

ASU 2016-14, "*Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*," is effective for NPLS's financial statements for the year ending June 30, 2019. This amendment aims to improve how a nonprofit organization classifies its net assets and provides information in its financial statements and notes about its financial performance, cash flow, and liquidity. The ASU changes the net asset classification, how underwater donor-restricted endowment funds are treated, will increase the information available about liquidity and the availability of resources, requires financial statements for not-for-profits to provide expenses both by nature and function, as well as an analysis of those expenses by both nature and function, along with disclosure of the methods used to allocate those costs among the various functions, and standardizes how organizations present investment returns and what expenses should be netted against those returns. There are qualitative and quantitative requirements in a number of areas, including net asset classes, investment return, expenses, liquidity and availability of resources, and presentation of operating cash flows. Early application of the amendments in the ASU is allowed.

Management has not yet determined the impact of these amendments on NPLS's financial statements.

9. Funding

The receivable from PLAN represents final payment due to NPLS for the grant contract ended June 30, 2017.

LSC requires programs receiving funding to implement procedures to dedicate a minimum predetermined portion (12.5%) of its LSC and/or non-LSC funding for private attorney involvement (PAI). This requirement was intended to increase private attorney participation in service delivery and lead to increased communication and cooperation with state and local bar associations. The basic field grant received from LSC for the period July 1, 2016 through June 30, 2017 totaled \$1,880,204. NPLS expended \$126,478 of its LSC funding for PAI during the year ended June 30, 2017. This amount constituted 6.7% of the amounts received from LSC under its basic field grant for that period. NPLS obtained a waiver from LSC for the 12.5% PAI minimum.

NORTH PENN LEGAL SERVICES, INC.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2017 AND 2016

In accordance with the normal policies of LSC, NPLS may retain unexpended funds for use in future periods, provided that expenses incurred are in compliance with the specified terms of the grant. LSC may, at its discretion, require reimbursement for expenses or return of funds, or both, as a result of noncompliance by NPLS with its terms. In addition, if NPLS terminates its legal assistance activities, all unexpended funds are to be returned to the funding source. LSC also retains a reversionary interest in property, as well as the right to determine the ultimate use of any proceeds from the sale of assets purchased with its funding.

10. Retirement Plan

NPLS has a 401(k) retirement plan available to eligible employees. For the years ended June 30, 2017 and 2016, NPLS adopted an employer contribution percentage of 5.5% and zero percent of gross wages, respectively, which were contributed to the plan. Employees may make additional contributions to the plan on a voluntary basis. Employer contributions to the plan totaled \$167,400 for the year ended June 30, 2017.

11. Concentration of Credit Risk

Financial Instruments

Financial instruments, which potentially subject NPLS to concentration of credit risk, consist principally of temporary cash investments. NPLS invests its temporary cash with several financial institutions. The cash balances are secured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 per financial institution. The balances, at times, may exceed federally insured limits.

Sources of Revenue

A significant amount of funding is received for continued operations of NPLS from PLAN and LSC. Grants received are subject to audit and adjustment by grantor agencies, principally LSC and PLAN. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenses which may be disallowed by the grantor cannot be determined at this time, although NPLS expects such amounts, if any, to be immaterial.

NORTH PENN LEGAL SERVICES, INC.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2017 AND 2016

PLAN and LSC funding is dependent on the budgeting processes of the Commonwealth of Pennsylvania and the federal government. The LSC grants were approximately 31.9% of total revenue and other support for the year ended June 30, 2017. The PLAN grant (including IOLTA funding) was approximately 45.6% of total revenue and other support for the year ended June 30, 2017. Total revenue and other support used in these calculations do not include in-kind contributions.

12. Subgrant

NPLS provides a subgrant to the Lackawanna Bar Association for the administration of “pro bono” legal services for PAI. The amount of the subgrant provided was \$0 and \$4,000 for the years ended June 30, 2017 and 2016, respectively.

Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

**Board of Directors
North Penn Legal
Services, Inc.**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of North Penn Legal Services, Inc. (NPLS), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 12, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered NPLS’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of NPLS’s internal control. Accordingly, we do not express an opinion on the effectiveness of NPLS’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether NPLS's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, the communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for the Major Program and on Internal Control over Compliance Required by the Uniform Guidance

**Board of Directors
North Penn Legal
Services, Inc.**

Report on Compliance for the Major Federal Program

We have audited North Penn Legal Services, Inc.'s (NPLS) compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* and *Legal Services Corporation (LSC) Audit Guide for Recipients and Auditors and Compliance Supplement* that could have a direct and material effect on NPLS's major federal program for the year ended June 30, 2017. NPLS's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for NPLS's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the *LSC Audit Guide for Recipients and Auditors and Compliance Supplement*. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about NPLS's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of NPLS's compliance.

Basis for Qualified Opinion on CFDA Number 09.U01.339070 LSC Program

As described in the accompanying schedule of findings and questioned costs, NPLS did not comply with the requirements regarding CFDA Number 09.U01.339070 LSC Program as described in Finding 2017-001 for Eligibility. Compliance with such requirements is necessary, in our opinion, for NPLS to comply with the requirements applicable to that program.

Qualified Opinion on CFDA Number 09.U01.339070 LSC Program

In our opinion, except for the noncompliance described in the "Basis for Qualified Opinion" paragraph, NPLS complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on the LSC program for the year ended June 30, 2017.

Other Matters

NPLS's response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. NPLS's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Management of NPLS is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered NPLS's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of NPLS's internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as

Board of Directors
North Penn Legal Services, Inc.
Independent Auditor's Report on Compliance
for the Major Program

discussed below, we identified a certain deficiency in internal control over compliance that we consider to be a material weakness.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as Finding 2017-001 to be a material weakness.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

NPLS's response to the internal control over compliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. NPLS's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Statement of Condition: During the audit, we noted that the financial eligibility guidelines were not updated since February 27, 2014.

Criteria: The Code of Federal Regulations (45 CFR 1611.3a) requires a Legal Services Corporation (LSC) recipient to adopt guidelines for determining the financial eligibility of persons seeking legal assistance under the LSC Act. The governing body is to review these guidelines at least once every three years and make any necessary adjustments.
